

Industrial Floor Treatments Ltd (IFT) specialises in the application of integrated flooring services to suit the needs of industry and commerce.

It is the policy of IFT to safeguard the health, safety and welfare of all our employees, contractors, professional associates, agents and members of the public whilst we are at work. We also fully accept our responsibility for other persons who may be affected by our work activities. We accept the aims and provisions of the Health & Safety at Work Act 1974, and the Management of Health & Safety at Work Regulations 1999 and we take appropriate steps to ensure that our statutory duties are met at all times.

It is our duty to ensure that all processes and systems of work are designed to take account of Health & Safety and are properly managed and supervised at all times.

We will assess the risk to the Health & Safety of our employees and contractors and to anyone else who may be affected by our work activities. We will also make arrangements to effectively plan, organise, control, monitor and review the preventative measures identified as being necessary by our risk assessments as well as ensuring that;

- Adequate facilities and arrangement will be maintained to enable employees and contractors to raise issues of concern regarding Health & Safety.
- Competent people will be appointed to assist us in meeting our statutory duties including, where appropriate, specialists from out with the organisation.
- We will provide information, instruction, training and supervision to employees, contractors and others as is necessary to implement and maintain high standards of Health & Safety.
- We have established arrangements for ensuring safety and absence of risks to health in connection with the use, handling, storage and transport of articles and substances, so far as is reasonably practicable.
- We will provide and maintain a working environment for employees, contractors and the public that is safe, without risks to health and adequate as regards facilities and arrangements for their welfare, so far as is reasonably practicable.
- We will continually review Company work procedures and systems with improvement being an ever present objective for the management and performance of our Health and Safety Systems and procedures.

Every employee and contractor must co-operate with us to enable all statutory duties to be complied with. The successful implementation of this policy requires total commitment from all levels of employee and contractor. Each individual has a legal obligation to take reasonable care for their own Health & Safety and for the safety of other people who may be affected by their acts or omissions.

Implementation, monitoring and review of this policy

This policy will take effect from 19 September 2018. The Managing Director has overall responsibility for implementing and monitoring this policy, which will be reviewed on a regular basis (at least annually) following its implementation and additionally whenever there are relevant changes to our working practices. Any queries or comments about this policy should be addressed to the Managing Director.
